

# **EZ HALO - INSTANT EXTENSION**

**EZ HALO** Extensions are made of the finest quality 100% human hair. They instantly add length, volume, & highlights to your hair. Best of all they're so easy to use and to re-use over & over again.

## **STEP 1 : CREATE A PART FROM TEMPLE TO TEMPLE**

Make a horizontal part from temple to temple, about 2" or 4 cm above the ears and 1" or 2cm below the crown.

## **STEP 2 : OPEN THE CLIPS ON THE EZ HALO EXTENSION**

There are 8 pressure sensitive clips on the EZ Halo Extension. Open each clip by pushing gently on the centre of the clip until its snaps open.

## **STEP 3 : INSERT THE CENTER CLIP OF THE EZ HALO EXTENSION**

Insert the center clip of the EZ Halo Extension by combing it securely into the parted hairline below the crown, & push firmly on the edges of the clip until it locks in. If your client has fine hair, tease her hair before inserting the clip.

## **STEP 4 : SECURE THE TOP 4 CLIPS OF THE EZ HALO EXTENSION**

Insert the two left top clips of the EZ Halo Extension and lock them in securely into the parted hairline towards the left temple. Insert the two right top clips of the EZ Halo Extension and lock them in securely into the parted hairline towards the right temple.

## **STEP 5 : SECURE THE LEFT SIDE CLIP OF THE EZ HALO EXTENSION**

Insert the left side clip of the EZ Halo Extension and lock it in securely towards the left side hairline at the back of the head.

## **STEP 6 : SECURE THE RIGHT SIDE CLIP OF THE EZ HALO EXTENSION**

Insert the right side clip of the EZ Halo Extension and lock it in securely towards the right side hairline at the back of the head.

## **STEP 6 : SECURE THE BOTTOM CLIP OF THE EZ HALO EXTENSION**

Insert the bottom clip of the EZ Halo Extension and lock it in securely towards the bottom hairline at the back of the head.

Once completed, you will marvel at the ease of installation & natural appearance of the EZ HALO Instant Extension System.
